## KINO MANA IV

Teacher-Training Part 1 with Susan Pa'iniu Floyd from Hawaii

May 24 - 28, 2010 at the Gesundheitsressort Graether in D-72175 Dornhan-Fürnsal

## KINO MANA IV – Teacher Training Part 1

The Teacher Training is addressed to people, who are already „Practitioners“ of the Hawaiian bodywork (Lomi Lomi Nui Temple Massage) and work with it in their offices, and who are ready to pass on their knowledge and experience to students. In this Seminar they will especially be prepared for the needs and to be up to the standards as a teaching person.

In this Seminar you will give and receive both the Lomi Lomi Nui and the Kahi Loa Massage and will receive a distinguished feedback. You will also be prepared for different situations in contact and handling of the client. You will be trained in how to support the session in a confident and sensitive way.

Chanting, drumming, flight of the Iwa bird and dancing Hula as well as engrossing the knowledge about Hawaiian Bodywork, the history and philosophy will also be topics of the seminar.
